Requirements for Income Qualifying:

Please check the items off as you gather them to assure a complete application.

- 1. A current government issued photo ID required for person applying.
- 2. Social Security cards and Birth Certificates or proof of birth dates for all household members.
- 3. Proof of household income—this could be one of the following items:
 - Show a food stamp card along with a grocery receipt that is less than 30 days old or show current balance on the App. Must show a balance of greater than \$0.01.
 - A current letter from Family Services documenting you are approved for food stamps and date approved.
 - A recent award letter from Medicaid, TANF, WIC, SSI or SSDI or a letter stating that an application has been approved for government assistance. These letters may be obtained from the appropriate agency.
 - If you live in subsidized housing (you receive government assistance with paying your rent) you MUST show a copy of your lease or the current re-certification letter.
 - A copy of last years IRS 1040 Tax form.

The Kokomo Rescue Mission reserves the right to ask for expense accountability.
