January 2023

Dear Partner:

My name is Kevin Smith and I am the still fairly new executive director here at the Mission. I love how area churches partner with us in a number of ways, including Re-Stock Sundays. I look forward to becoming more acquainted with you as time goes.

I hope you will work with us again on Sunday, January 29th. We've provided a quarterly bulletin insert that you can use to increase awareness in your people of the KRM ministry to the homeless, hungry, and hurting. You also should find a list of suggested items for donations. If you would prefer emailed files or need the information in another format, please contact Debbi at 765.456.3838 or dspringer@rescuekokomo.org.

5th Sunday Focus On The Mission is a means to aid churches in supplying necessary items for our ministries. Our next one will occur in April.

We see ourselves as a partner with your church, working together to help the poor in our community. I would love to meet with you and others to discuss our partnership further. Contact Betsy at 765.456.3838 or bhart@rescuekokomo.org to set something up.

Take special note on our website of our upcoming **Walk a Mile in My Shoes** event on February 11. This is a low commitment way to get more of your people involved in our partnership and more aware of what it is like to be homeless.

Blessings on your church in 2023!

Serving Him by serving them,

Kevin Smith
Executive Director
